

**Eighth Update to A Current Bibliographic Resource for the Red-cockaded Woodpecker**  
***Updated May 2004***

1. Badger, C. 2003. Team effort aids endangered woodpeckers. *Virginia Wildlife* 64:27-29.
2. Beaty, T. A., A. E. Bivings, T. Reid, T. L. Myers, S. D. Parris, R. Costa, T. J. Hayden, T. E. Ayers, S. M. Farley, and W. E. Woodson. 2003. Success of the Army's 1996 red-cockaded woodpecker management guidelines. *Federal Facilities Environmental Journal* 14:43-53.
3. Bradshaw, D. S., and B. D. Watts. 2002. Investigation of red-cockaded woodpeckers in Virginia: 2002 report. Center for Conservation Biology Technical Report Series CCBTR-03-01, College of William and Mary, Williamsburg, Virginia, USA.
4. Bradshaw, D. S., and B. D. Watts. 2003. Investigation of red-cockaded woodpeckers in Virginia: Year 2003 report. Center for Conservation Biology Technical Report, CCBTR-03-01, College of William and Mary, Williamsburg, Virginia, USA.
5. Connor, R. N., D. Saenz, D. Schaefer, J. R. McCormick, R. D. Craig, and D. B. Burt. 2004. Group size and nest success in red-cockaded woodpeckers in the West Gulf Coastal Plain: helpers make a difference. *Journal of Field Ornithology* 75:74-78.
6. DeLotelle, R. S. 2002. Red-cockaded woodpeckers on the Hal Scott Regional Preserve and Park. DeLotelle & Guthrie, Inc., Gainesville, Florida, USA.
7. DeLotelle, R. S., and D. L. Leonard. 2003. The red-cockaded woodpecker: surviving in a fire-maintained ecosystem (book review). *Auk* 120:1201-1205.
8. Early, L. S. 2004. Saving the red-cockaded woodpecker. *Wildlife in North Carolina* 68:19-23.
9. Jackson, J. A., and B. J. S. Jackson. 2004. Ecological relationships between fungi and woodpecker cavity sites. *Condor* 106:37-49.
10. Kappes, J. J., and K. E. Sieving. 2003. Red-cockaded woodpecker population monitoring on Camp Blanding Training Site, Florida: Final report research period October 1, 2002 to September 30, 2003. Florida Department of Military Affairs Florida Army National Guard, CFMO -- Environmental Branch, St. Augustine, Florida, USA.
11. Koenig, W. D. 2002. The red-cockaded woodpecker: surviving in a fire-maintained ecosystem (book review). *Animal Behaviour* 63:831-832.
12. Louisiana Department of Wildlife and Fisheries. Undated. Red-cockaded woodpecker Safe Harbor Program (pamphlet). LSU Graphic Services, Baton Rouge, Louisiana, USA.
13. McCormick, J. R., R. N. Conner, D. Saenz, and D. Burt. 2004. Evidence of red-cockaded woodpecker nestling displacement by southern flying squirrels. *Bulletin of the Texas Ornithological Society* 37:8-9.
14. Meyers, J. M. 1999. Status of red-cockaded woodpecker nesting and cavity trees on Billy's Island, Okefenokee National Wildlife Refuge, 1998. USGS Patuxent Wildlife Research Center, Laurel, Maryland, USA.

15. Poirier, J. 2003. Effects of red-cockaded woodpecker (*Picoides borealis*) artificial cavity installation on southern flying squirrel (*Glaucomys volans*) capture and habitat use in southwest Georgia. Thesis, Clemson University, Clemson, South Carolina, USA.
16. Reid, J., and J. McCormick. 2003. Red-cockaded woodpecker status in Texas. Texas Partners in Flight Flyway Newsletter 10:19-22.
17. Skeen, J. 2002. Performance report: red-cockaded woodpecker (*Picoides borealis*) recovery on the McCurtain County Wilderness Area (MCWA). Oklahoma Department of Wildlife Conservation Project Number OK E-021-10.
18. Spadgenske, E. W. 2002. Foraging habitat and reproductive success of red-cockaded woodpecker (*Picoides borealis*) groups in southeastern Georgia. Thesis, Georgia Southern University, Statesboro, Georgia, USA.
19. Stacey, P. 2003. Woodpecker fundamentals (book review). Conservation Biology 17:934-937.
20. Stephenson, F., and B. Ritchie. 2003. Second chance. Florida State University Research in Review 13:26-37.
21. Taylor, T. B. 2003. Arthropod assemblages on longleaf pines a possible link between the red-cockaded woodpecker and groundcover vegetation. Thesis, Virginia Polytechnic Institute and State University, Blacksburg, Virginia, USA.
22. Williams, K. L. 2002. The red-cockaded woodpecker: surviving in a fire-maintained ecosystem (book review). CHOICE: Current Reviews for Academic Libraries 39:1614.
23. Yates, J. E. 2003. A system dynamics investigation of genetic drift and translocation in the red-cockaded woodpecker metapopulation. Thesis, Air Force Institute of Technology, Wright-Patterson AFB, USA.
24. Zhang, D. 2004. Endangered species and timber harvesting: the case of red-cockaded woodpeckers. Economic Inquiry 42:150-165.
